DIARIES 1887-1889

3 folio size Letts's no. 37 universal diaries for the years 1887, 1888 and 1889, each with J. Stuart's name written on the cover.

KCM

These diaries appear to have been in a fire. The lower part of the spine of the 1887 diary has been damaged and most pages have some text loss on the bottom left.

The cover and first two pages of the 1888 diary have been damaged, but what James Stuart recorded has not been affected.

The top right hand corner of the 1889 diary has been burned and a corner of all the pages is missing on the top right, and this damage has been compounded by scorch marks.
